VINTAGE NOTES

There is much excitement around the release of this 2022 Single Vineyard McDonalds Rd Tempranillo. This Mediterranean parcel of fruit grown on block 1 of our McDonalds Rd vineyard may be small however it's filled character & produces some outstanding wines. This elegant wine is no exception, dancing in the glass full of personality, exuding bright red fruits tangled with spice and alluring floral notes, finishing with silky tannins framed by subtle oak. This medium bodied wine is drinking beautifully and will pair well with a variety of cured meats & cheeses along with any Mediterranean or Italian dishes.
